MUSICIAN

HE'S FAIYA!

**Remember you heard it
from KRAVE first.**

Although he's booked jobs that other models only dream about, this 22-year-old Brooklyn born musician, Faiya, is quick to tell you that modeling is not his thing. "Music is my passion," he contends. One visit to his Myspace page and you'll understand why. "Faiya," is on fire – as in four alarm blaze. His production is a force to be reckoned with and his lyrics speak for themselves.

To learn more, visit Faiya at:

and remember, KRAVE told you first.
